PAYMENT SCHEDULE	
Payment schedule	60% deposit upon acceptance. Please cash, check or Paypal transfer +4%. 40% final payment. Cash upon completion or mail check 10 days in advance
Build process	Here is the process to build this custom trailer: -Step 1. Once deposit payment has been received and cleared, all equipment, custom parts and materials will be ordered. Cancellation after this point will not have a guaranteed refund in any quantity. -Step 2. Fabrication starts. All parts get cut, bent, welded and powder coated. -Step 3. The assembly process begins. All wiring, plumbing happen at this time. -Step 4. The build is considered completed when the trailer has been fully assembled and test driven by us. At this point the final payment is due.
Storage	We can store your trailer for 1 month after completion for free. After that a fee of \$150 per month will incur.
Shipping	Shipping arrangements are the owner's responsibility. You can pick it up or we can deliver but please contact us in advance.
Terms and conditions	All prices are subject to change without notice at any time prior to the signing and receipt of deposit from the buyer. Any cancelation by the buyer after the deposit payment will not have a guaranteed refund. This money is used to purchase parts and order materials and we move fast. Any cancelation by the buyer after the second payment will incur on a 25% cancellation fee based on the total price of the order. The balance will be refunded when and if the parts/trailer are sold to a different buyer. The price for these parts/trailer might not be the same as the contracted price. Hive will give an estimated completion time. We do not guarantee the exact date but we will do our best to maintain it. Unexpected situations or accidents may force us into delays. In the case of a delay due to our fault of over 6 months you are entitled to a full refund if you choose to request it. Due to the current global issues affecting many manufacturers some items or accesory brands will be replace with another one of equal or better quality. In case of options not being available at the time of completion the customer can choose to get a refund for the option price or be placed on a back order list. Hive campers is not responsible for options that are not longer available due to third party issues.

Please sign if the above specifications, conditions and prices are satisfactory and are hereby accepted
